**THIS YEAR'S HIGHLIGHTS . . .**

*Nursing begins at eHealthCareers*

When the doors opened at the BCC eHealthCareers building in downtown New Bedford, one thing became immediately clear: students in the Whaling City were eager for a Nursing option in their area. It was, and continued to be, the most discussed program at the 800 Purchase Street building on the campus. This September, that dream was finally realized as eHealth welcomed in the first New Bedford Nursing cohort. The project expands the number of Nursing students BCC can accept by 24 to directly address local healthcare workforce needs. To accommodate the new students, the College completed a brand new, 6,500 square foot "Nursing Suite" to house state-of-the-art labs, training space, classrooms, offices and a simulated pharmacy for

students in Nursing, Pharmacy Tech, and Phlebotomy.

eHealthCareers at BCC offers online-onsite healthcare programs in a format that fits the lives of the modern student. With more learning done online than in a traditional classroom, students who previously couldn't attend school due to time constraints are now able to enroll. The latest program additions at eHealth, including Nursing, Pharmacy Tech, and Central Sterile Technician, are directly meeting community workforce needs. BCC is forging new and expanded partnerships with local healthcare experts, including Southcoast Hospitals Groups, to stay on the cutting-edge of healthcare education.
