

Transfer Agreement

Curry College Division of Continuing and Graduate Studies

and Bristol Community College

Master Agreement for Associate Degree Graduates of Academic Degree Programs

This Agreement serves graduates from **Bristol Community College's Associate Degree** academic programs who seek to complete their **Bachelor of Arts or Bachelor of Science Degree through Curry College's Division of Continuing and Graduate Studies**.

This Agreement guarantees acceptance of **Bristol Community College** graduates who earn an **Associate Degree*** from a qualified academic area of study into Curry College's **Baccalaureate Degree Programs** offered through its Division of Continuing and Graduate Studies. This Agreement guarantees that Curry College will accept all credits awarded to fulfill Bristol Community College's Associate Degree requirements **. This Agreement applies to new students who enroll in Curry College's Division of Continuing Education programs offered in Milton, Plymouth, or online.

Under this Agreement, Bristol Community College graduates can transfer all credits earned in their Associate Degree and are waived from completing the General Education requirements at Curry College. Additional credits beyond the Associate Degree may also transfer into Curry. These additional credits will follow Curry's transfer credit policies. In total, 90 of the minimum 120 credits required to earn a Curry College degree may transfer. Lastly, a minimum of 12 credits within Curry's selected major requirements must be completed at Curry College. To support a seamless transition into the designated major, Curry's Continuing Education advisors will provide academic advising services to prospective Bristol Community College students regarding degree completion requirements.

In addition, Bristol Community College students who earn an Associate Degree from an academic area of study will be eligible for Curry's Education Partner Pricing*** through the Division of Continuing and Graduate Studies, which offers Bristol Community College graduates a reduced per-credit tuition rate.

Lastly, Bristol Community College will provide opportunities for representatives of Curry College to visit Bristol Community College locations and disseminate information about Curry College programs and this Agreement.

Curry College Division of Continuing and Graduate Studies and Bristol Community College have successfully worked as transfer partners for many years. This Agreement is effective on the date signed and will remain in effect until either party terminates said Agreement.

Laura L. Douglas, Ph.D.
President
Bristol Community College

David Szczerbacki
