

***Earn both an associate and bachelor's degree
in business in three years.***

4 years in 3

This full-time, year-round degree program is designed so you can earn your bachelor's – and get into the workforce – faster. It is ideal for students who may have already earned some college credit through dual enrollment or prior learning and are interested in learning at an accelerated pace.

After following this program for 18 months at Bristol, you'll arrive at UMass Dartmouth as a junior – and be on your way to graduate with a degree in business administration within another 18 months. You can choose from any one of their business concentrations that interests you.

Low cost. High quality.

An affordable, high-quality education is within reach with this unique program. Bristol and UMass Dartmouth have a long-standing reputation for providing a great education both inside and outside the classroom. Access both Bristol and UMassD internships and other experiential learning opportunities, student clubs, athletics and more.
