VIRTUAL EXPERIENTIAL EDUCATION SHOWCASE- PG.3

COLLEGE CENTRAL NETWORK (CCN) - PG. 4

As we wrap up the academic year, the Experiential Education Center staff would like to thank our students, faculty, staff, and community partners that engaged with our Civic Engagement and Internship programs. Our achievements would not be possible without your support. Our students were able to successfully engage in virtual and on-site community-based learning projects and internship experiences.

Additionally, our 2nd annual Virtual Opportunity Fair was a success with over 50 participating organizations offering opportunities and 216 attendees! Please visit, bristolcc.edu/opportunityfair to learn more about the participating organizations, their available positions, and links coming soon to the recorded information sessions.

We want to continue our success by inviting students, faculty, staff, and community partners to attend our upcoming 2nd annual Virtual Experiential Education Showcase. This event provides attendees with the opportunity to hear from Bristol students and a keynote speaker discuss the benefits of hands-on learning through community-based learning and internship experiences (See details on pg. 3).

 Friday May 27.....10am-11am
 Tuesday May 31.....12pm-1pm

Questions? Contact us:
 Phone: 774-357-2407 | E-mail: EEC@Bristolcc.edu

Looking for a Summer or fall 2022 internship? Check out these remaining workshop dates in May (June dates will be posted soon). Preparedness is key when seeking and obtaining an internship.

Within a 1-hour Internship Prep Workshop, students will work with EEC staff to:

- Review policies and procedures of the Internship Program
- Learn what to expect at the internship site
- Begin the process of developing a resume & identify internship site of interest

To enroll in the Internship Program students must attend one workshop.

Participating in an unpaid Summer 22 internship? We have a scholarship opportunity for you! The purpose of the scholarship is to encourage experiential learning opportunities that help students prepare for their careers while reducing financial challenges of participating in an unpaid internship. This program will reimburse 4 selected students for the total cost of their 3-credit internship course who secure an unpaid internship for the Summer 2022 semester. Application deadline is Wednesday, May 25th. Apply here:

Community-Based Learning Workshop(s) Wednesday, June 8th

Through the Engaged Learning Institute, hosted by The Lash Cetner for Teaching and Learning, we'll be offering a 3-hour intensive workshop on Wednesday, June 8th. The session will be repeated for those who are unable to attend either the morning or afternoon session. The session will provide time to talk through the foundation elements of Community-Based Learning at Bristol. We'll spend time having faculty delve into their motivations and approach to Community-Based Learning as well as how to design a course with a fully intergrated community-engaged project. This will be a stipend opportunity. All participants please bring a copy of the syllabus for their planned/proposed CBL course.

To Register for the Morning Session (9am-12pm) to receive the zoom link: <https://tinyurl.com/2p8dyea9>
 To Register for the Afternoon Session (1pm-4pm) to receive the zoom link: <https://tinyurl.com/4evhvp4p>

All faculty who intend to to infuse CBL into one or more of their courses will need to attend this workshop. If unable to attend this particular day, we'll be offering additional sessions throughout the summer and fall semester.
